

# TIM FALK

## Junior Fullstack Developer

### Background:

Passionate web developer nearing graduation, dedicated to problem-solving and creating secure, sustainable systems that simplify people's lives. In addition to my education, I have invested significant time in self-study to deepen my knowledge and continuously grow in my career as a developer.

### Contact:

Tullportagatan 21  
532 30, Skara, Västra Götalands län,  
Sweden

- [\(+46\) 73 084 48 97](tel:+46730844897)

- [LinkedIn](#)

### Education:

- Web Developer  
TUC Yrkeshögskola, Huskvarna  
2023 - April 2025
- Painter  
Movant AB, Skövde  
2021 - 2022
- Information- and media technology  
Rudbecksgymnasiet, Tidaholm  
2016 - 2019

### Skills:

- TypeScript, Next.js, SvelteKit, Python, .NET.
- Quick to learn new things, self-driven.
- Strong communication and collaboration skills.
- Problem solver.
- Skilled at managing tasks to meet deadlines.
- Excellent language proficiency in both Swedish and English.
- Swedish B driver's license (equivalent to a standard car driving license).

### Work Experience:

#### Fullstack Developer, Internship 2

Combitech AB Skövde, November 2024 - April 2025

- Developed a file storage system that saves large files internally on the server and deletes them after the session ends.
- Developed an AI image generation application using Stable Diffusion, built with Python and SvelteKit.
- Developed a custom-built crawler in Python that can index entire websites. Currently working on further development to store the content in a vector database and integrate it with an AI chatbot.
- I have given presentations for the company where I showcased various things I have developed and provided inspiration for potential further development.

# TIM FALK

## Junior Fullstack Developer

### Work experience (continued):

#### Frontend Developer, Internship 1

Combitech AB Skövde, April - June 2024

- Worked with another internship student to develop an AI chatbot.
- Built with Next.js and .NET, where I was responsible for all frontend development.
- Agile development with weekly sprints.

#### Park Caretaker, Night

Skara Sommarland, June - August 2024

- Received a certificate for Employee of the Month within the park caretaker unit.
- Handled cleaning of toilets, dining areas, showers, and general park cleaning.

#### Cemetery groundskeeper

Kyrkogårdsförvaltningen Falköping

February - August 2024

- Was responsible for an area where my team and I maintained the cemetery. I was also trusted with obtaining a wheel loader license.
- Handled lawn mowing, removal of gravestones, bushes, flower care, and funerals.

#### Painter

Falköpings Måleri, January 2022 - 2024

- Developed skills in upholstery, fabric setting, plastering, spray painting, wall and ceiling painting, and carpentry painting.
- Contributed to the development of a completely new residential area within the municipality of Falköping for the company Götenehus.
- Gained valuable life experiences that have positively shaped me both in my professional life and personally.

#### Personal Assistant

Skaraborgsassistans Tidaholm,

February 2020 - August 2021

- Was an assistant to a client with Duchenne Muscular Dystrophy, which involved helping the client with various daily activities.
- Learned how to be a good support for people who are suffering and to try to make their day as happy as possible.

#### Cemetery groundskeeper

Kyrkogårdsförvaltningen Tidaholm

June - September 2019

- Handled lawn mowing, removal of gravestones, bushes, flower care, and funerals.
- Gained skills in operating heavy machinery, such as for edge trimming of walkways.
